THE VALUE IN VALUATION

THE VALUATOR

THE VALUATOR provides a team of experts who perform Professional Valuations throughout South Africa, neighbouring countries and selected international countries.

THE VALUATOR is based in Cape Town and has grown out of the combined expertise of highly respected experts in all the valuation services offered. The company was originally a family concern which has served the region for 3 generations.

THE VALUATOR stands by its SERVICE EXCELLENCE CAMPAIGN. We provide a “one stop” solution for all valuation related requirements.

Our clients include corporations (banks, insurers & big business), professional practices (auditors & attorneys), private individuals, partnerships, all other businesses, farming concerns, heritage, government and institutional organisations. THE VALUATOR brings their clients peace of mind as they stand by their professional valuations and will act as arbitrators in the event of an insurance claim.

Please contact us should you require any further information or require a quotation.
